

Hi-Performance Wash Systems, Inc.

# CAR WASH NEWS

**HPWS** has  
expanded.

Join us for a tour!

Hi-Performance Wash Systems is pleased to announce the opening of our North Sales & Training Office. This central location is home base for HPWS' experienced sales staff.

Our training program offers exceptional classes to help your business thrive.

We invite you to tour our new offices to connect with members of our team and several industry leaders. We are conveniently located off of I-25 and 120th Avenue in Westminster.

He will also provide training & support for you or your maintenance crew with the product knowledge and preventative maintenance. This will encourage continuous cost-effective performance and optimum efficiency at your carwash today and in the future.

**A WRITTEN EXAM WILL BE REQUIRED FOR CERTIFICATION OF THIS CLASS.**

## NEW EMPLOYEE

### Scott McKenzie

My wife, Cheri, and I live in Parker. We both grew up in Oklahoma. After graduating from high school, I started to work in the cable industry, working for the local cable company for 16 years. I then moved to the cellular phone industry spending five years there. After which I started my own home repair and remodeling business, which I operated for ten years. Leaving it behind, to move to beautiful Colorado with my family. Once here I was with a Telecom battery company. After a layoff I got into the car wash business three years ago. I have one daughter and three step-daughters. I love fishing, hunting, shooting and reloading. Thank you all for the warm welcome I've received!!!

## JUNE TRAINING CLASSES

### SONNY'S CAR WASH COLLEGE MAINTENANCE, REPAIR AND MULTI-SITE MANAGEMENT COURSES

These classes are held at SONNY's Factory in Ft. Lauderdale, FL. For more information go to [www.sonnysdirect.com](http://www.sonnysdirect.com).
