UPCOMING NCS COLLEGE OF CLEAN CLASSES

CAR WASH MANAGEMENT

3-Day Workshop—\$1095
September 12 - September 14, 2018

This course, taught by actual car wash professionals, is designed for both new and experienced car wash owners, operators and managers who want to learn how to improve their performance, maintain and motivate their staff, improve their customers' experience and maximize their ROI. Topics are timely and relevant and are taught using a combination of classroom and wet lab activities in the 6-bay College of Clean facility.

TUNNEL EQUIPMENT MAINTENANCE & REPAIR

3-Day Workshop—\$1,095
October 22 - October 24, 2018

This one-of-a-kind course combines classroom instruction with practical hands-on workshops on a fully operational 100' MacNeil Express Tunnel and In-Bay Express. Along with equipment overviews and equipment performance optimization, you will also learn troubleshooting and preventative maintenance techniques from the top instructors in the industry.

ROLLOVER EQUIPMENT MAINTENANCE & REPAIR

3-Day Workshop—\$1,095
November 6 - November 8, 2018

Designed for Ryko system car wash owners/operators who want to know more about maintaining their equipment. The first two days of this class focuses on the friction machines with the final half day devoted to the touchless Radius car wash. Led by instructors with extensive experience maintaining and troubleshooting Ryko equipment, your instruction includes both classroom and in-bay time with an emphasis on hands-on practice.

NEW INVESTOR WORKSHOP

1-Day Workshop—FREE
September 30, 2018; Atlantic City

In-Bay, Self-Serve, Express Special New Investor Course
September 29 2018; Lake Ariel, PA

Learn what it takes to be successful in the car wash world from professionals working in the industry. Their up-to-date knowledge and everyday experiences will provide the practical knowledge you need to learn to invest wisely.

CAR WASH CLEANING SOLUTIONS

2-Day Workshop—\$395
October 25 - October 26, 2018

Receive hands-on experience in a wet lab built in a six-bay car wash. Learn how to use chemical portioning devices, and receive instruction in titration to optimize your chemical combinations for maximum efficiency and minimal costs. If you want better ROI and happier customers, than this is a must have training for anyone managing car wash chemicals.

Class size is limited. Sign up today.

Unless otherwise noted all classes are held at:

National Carwash Solutions
1500 SE 37th St.
Grimes, IA 50111

For more information or to sign up for any of these classes go to www.nationalcarwashesolutions.com/college-of-clean or call 855.893.1393
