INTERIOR SYSTEM & INSPIRATION CERTIFICATION COURSE

Course covers proper installation and understanding of Inspiration Ceramic Coating and the use of the game changer Renny Doyle Double Black Interior System. Class participants will receive full training on the interior system designed to clean, deodorize and sterilize cloth interior components. The DB Interior System features a paired chemical system that utilizes a complex enzyme system to clean interiors.

Once the interior education is completed students will move on to education and installation of Inspiration. Students will prep the vehicle and actively install two coats of Inspiration Ceramic Coating.

Class participants will depart the class with a full understanding of proper installation of Inspiration and new approach to cleaning interiors.

DATE: Tuesday - October 17th
TIME: 10:00 AM to 12:00 PM
COST: \$50:00
