

OUR TECHS CAN FIX IT!

TIMEMASTER

Microcoin

HAMILTON

Our technicians can repair your Microcoin, Timemaster, Rowe, Hamilton, and other electronic components including coin acceptors, timers and bill changers.

They have the diagnostic equipment along with a full inventory of parts to complete repairs quickly, typically within 48 hours.

Rental components such as validators, timers, coin acceptors are also available while your repairs or services are completed, which allows your wash to remain operational.

Diagnostic Fee*	\$50.00	\$80.00

* A Diagnostic Fee will be charged on items requiring trouble shooting where no fault is found and repairs are not necessary.

REPAIR/WARRANTY TIPS

For repairs please note the following:

Corroded or vandalized units will automatically receive an estimate.

Units shipped in UPS Red will receive same day service.

HPWS will ship rental units (if available) to prevent down time *if requested*. The first 3 days are **FREE** for chemical customers, then \$5.00 per day thereafter. Must have Credit Card Number on file. **NO C.O.D.**

Standard turn-around time: **3-4 days**.

90 day warranty on parts and labor from date of repair.

We also sell new units and parts as well. If you don't see it listed here, please give us a call at 800.922.1313.
